

MAKE LEDYARD PARK A REALITY!

SPONSORSHIPS

ENSURE THE LEGACY OF LEDYARD
PARK FOR A LIFETIME.

Ledyard Park Sponsorship

Granite Benches

\$12,500 each

Four handcrafted granite benches provide durable, inviting seating that encourages conversation, connection, and moments of rest. Whether meeting a friend, enjoying lunch, or simply taking in the activity of downtown Hanover, these benches help transform the park into a welcoming community gathering place.

Sponsorship recognition will be on each bench and/or on the plaque acknowledging all contributors.

Steel Archways

\$10,000 each

Five colorful steel archways create a striking visual gateway, drawing visitors through the length of Ledyard Park while giving the space a distinctive identity. Beyond their architectural appeal, the archways support seasonal shade sails that enhance comfort and encourage people to linger, gather, and enjoy the park throughout the warmer months.

Sponsorship recognition will be on each archway and/or on the plaque acknowledging all contributors.

Turf

\$15,000

The central turf creates a flexible green space that serves as the park's communal living room. It offers a comfortable place to sit, relax, play, or gather during concerts, festivals, and community events - bringing people together in the heart of downtown.

Sponsorship recognition will be on the wall near the turf and/or on the plaque acknowledging all contributors.

Tables & Chairs

\$5,000

Flexible seating allows visitors to make the park their own. Whether enjoying a morning coffee, sharing lunch with colleagues, working outdoors, or watching a community performance, these tables and chairs invite people to stay, connect, and experience downtown Hanover in a new way.

Sponsorship recognition will be on the wall near the tables & chairs and/or on the plaque acknowledging all contributors.

Mural

\$5,000

A vibrant public mural will celebrate the character, creativity, and spirit of Hanover. Featuring original artwork developed with community participation, this permanent installation will create a memorable sense of place while reflecting the stories and people that make our community unique.

Sponsorship recognition will be on the mural and/or on the plaque acknowledging all contributors.

Plaque Recognition

Any Cash Donation

Every gift helps bring the vision for Ledyard Park to life. All cash contributions, regardless of amount, will be recognized on a permanent donor plaque displayed within the park, celebrating the individuals, businesses, and organizations whose generosity made this community space possible.
